Lunch on the library

Hot dog cookout on June 16 in front of DT Library

Start your summer semester off with some free food and help the Downtown Library launch its Facebook drive on Thursday, June 16.

Lunch will be served from noon - 1:30 p.m. as the library starts its campaign to **collect 500 Facebook Likes by Sept. 10**. If we reach our goal, we'll host a second cookout on Sept. 15.

TheJCTCDTLibrary Facebook page has the latest books, DVDs and graphic novels that you can check out, details about upcoming events and workshops, and even tips to make student life a little easier for you.

So stop by June 16 for lunch, and take the time to get connected with us online!
