

JCTC GALLATIN COUNTY ADULT EDUCATION

offers the following FREE services:

GED Preparation, Brush up on Academic Skills, College Preparation, Job Skills Training, National Career Readiness Certificate, Family Literacy, ESL Programs, College Developmental Classes and more!

GED Classes

Individuals seeking a GED can study at their own pace or attend classes. After initial testing to determine strengths and areas that need work, an education plan is developed according to the student's needs to help achieve specific goals.

Brush Up on Academic Skills, College Preparation, Job Skills Training

Whether it's learning to read better, improving writing skills or brushing up on math—we are here to help you!! If you are trying to get a better job or get ready for college, come and let us aid you in reaching your goal!

National Career Readiness Certificate (NCRC)

The NCRC allows you to show employers what you know! The NCRC verifies your skills in three key areas that are important to employers: Reading for Information, Applied Math, and Locating Information. **Higher Skills = Higher Salaries**

Family Literacy

Parents have opportunities, through instruction and activities, to improve parenting and other life skills and their children have opportunities to receive age-appropriate educational instruction. Experiences provide interactions between parent and child.

English as a Second Language (ESL)

English as a Second Language classes cover many areas that help a non-English speaking person.

College Developmental Classes

We provide the necessary training and testing to help individuals who plan to attend college but need to improve their reading, math, and/or language skills.

Hours

Mondays & Wednesdays 9 a.m. – 6 p.m.
Tuesdays 9 a.m. – 7 p.m., & Thursdays 9 a.m. – 2 p.m.
