

KCTCS Strategic Goals
Jefferson Community College and Jefferson Technical College
Strategic Priorities

Student Access, Success, and Services – KCTCS colleges will increase student access and promote student success through responsive, innovative student support programs and services.

Student Access and Success – Enhance academic programs and services to specific student groups in response to changing student population demographics and community needs. (JCC)

Student Access and Success – Develop and align academic programs and services better to meet the needs of students. (JTC)

Process Improvement – Initiate processes to achieve internal operational improvement. (JCC/JTC)

Program Quality and Effectiveness – In response to community needs, KCTCS colleges will expand and develop innovative, high quality programs incorporating the best practices of teaching and learning.

Student Access and Success – Enhance academic programs and services to specific student groups in response to changing student population demographics and community needs. (JCC)

Student Access and Success – Develop and align academic programs and services better to meet the needs of students. (JTC)

Process Improvement – Initiate examination of curriculum. (JTC)

Professional and Organizational Development – KCTCS colleges will invest in the development of faculty and staff and will support dynamic, unified, healthy, and rewarding campus environments.

Community/Economic Development and Partnerships – KCTCS colleges will strengthen the economic development of our communities and state by expanding educational opportunities, improving outreach services, and creating new partnerships.

Partnerships – Develop new and strengthen existing partnerships joint ventures and relationships with business, industry, and educational institutions and systems. (JCC/JTC)

***Community Connection** - Position the College as a recognized primary provider of quality educational programs and innovative educational approaches within the College. (JCC/JTC)*

Resource Development – KCTCS will seek additional fiscal, physical, and information technology resources and will use all resources effectively and efficiently to serve students.

***Mission Sustainability** Initiate efforts to secure additional funding to support the college mission. (JCC/JTC)*

Unified System of Colleges and Public Recognition – KCTCS will be a unified system of comprehensive community and technical colleges, recognized as a state and national leader in postsecondary education.

***Seamless Educational Framework** Create a framework for seamless educational opportunities in the district. (JCC/JTC)*
