

The Advancing Hispanic Excellence in Technology, Engineering, Math, and Science (AHETEMS) Scholarship Program

AHETEMS Scholarship program is designed to enhance and achieve the potential of Latino students pursuing degrees in engineering, math and science.

Merit-based and need-based scholarships are awarded, in the amount of \$1,000 - \$5,000, to deserving Latino/a high school graduating seniors, undergraduate students, and graduate students who demonstrate both significant motivation and aptitude for a career in science, technology, engineering or mathematics.

Eligibility requirements differ for each scholarship. However, all scholarships (except Graduate and Dissertation Scholarships) require a minimum 3.0 GPA both at the time of application and throughout the scholarship period, and students must be registered full time (12 hrs undergraduate / 9 hrs graduate) in a science, technology, engineering, or math discipline.

Please refer back to this Web site for updated scholarship postings.
